Read & review the following. **Sign and return this form to the high school by April 1, 2022.**

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the coming school year, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program. I understand the financial risks if my student withdraws from a course past the deadline and/or fails the course and that families may be billed for CCP textbooks if not returned to AHS Guidance Office (or other pre-arranged option) promptly at the end of each college semester.

Attention Parents: The subject matter of a course enrolled in under the college credit plus program may include mature subject matter or materials, including those of a graphic, explicit, violent, or sexual nature, that will not be modified based upon college credit plus enrollee participation regardless of where course instruction occurs

Students/Parents are required to attend on 1.12.22 or watch the CCP Information Night Presentation available on the AHS Guidance Website

I understand it is the student's responsibility to complete and submit the online CCP application to each college they are interested in taking CCP classes from. Depending on the goals of your student, that may mean applying to 1 college or multiple colleges. I also understand that CCP classes are not guaranteed and I may have to take classes at the high school to maintain full-time status.

Each college I am interested in taking CCP classes from may have their own admission requirements. I understand I need to take certain assessments (ACT, Accuplacer, or specific placement tests for classes like foreign language) early enough to make sure I have eligible scores by the application deadline. I can register online for the ACT at www.actstudent.org or contact the college about taking the Accuplacer placement test (there will be opportunities to take the Accuplacer at AHS on certain dates this Spring).

I understand I must let my school counselor/AHS Guidance Office know when I have applied to each CCP college(s) so my transcript can be sent. If I do not inform them that I have applied, my transcript will not be sent and my application will be incomplete.

I understand I will be financially responsible for the course if I withdraw from a course past the 14-day deadline and/or if I fail the CCP course. Each CCP course is billed at a rate set forth by the state (For 2021-22, this amount is \$166.55 per college credit hour for a CCP course taken at a college campus or online, or \$41.64 per college credit hour for a CCP course taken at AHS with an AHS CCP Instructor).

I understand final grades from CCP courses will also be on my high school transcript and will impact my class rank/grade point average (GPA) as well as establish a college transcript.

I understand I must use a "CCP Academic Awards/Honor Roll Eligibility" to submit 1st & 3rd Quarter grades for ALL CCP classes if I want to be considered for Honor Roll (2nd and 4th quarter grades will come from semester final grades reported directly to AHS from each college). A form also needs to be completed during each sports season I compete in if I want to be considered for a Scholar Athlete Award. Failing to complete this form and turning it in in a timely fashion will disqualify me.

I understand I will have to request and pay for official college transcripts to be sent to the college I attend after graduation in order to transfer college credit from any CCP colleges.

I have reviewed the CCP Virtual Information Night video and am aware of all benefits as well as potential risks to participating in the CCP program.
